An Act respecting Real Property

(Quia Emptores, etc.)

HIS MAJESTY, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

2. Forasmuch as purchasers of lands and tenements of the fees of great men and other lords, have many times heretofore entered into their fees, to the prejudice of the lords to whom the freeholders of such great men have sold their lands and tenements to be holden in fee of their feoffers, and not of the chief lords of the fees, whereby the same chief lords have many times lost their escheats, marriages, and wardships of lands and tenements belonging to their fees; which thing seemed very hard and extreme unto those lords and other great men, and moreover in this case manifest disinheritance: It is therefore provided, and ordained, that from henceforth it shall be lawful to every freeman to sell at his own pleasure his lands and tenements, or part of them, so that the feoffee shall hold the same lands or tenements of the chief lord of the same fee, by such service, and customs as his feoffer held before. 18 Edw. I, c. 1 (commonly called "The Statute *Quia Emptores*").

Freeholders may sell their lands so that the feoffee do hold of the chief lord.

And if he sell any part of such lands or tenements to any, the feoffee shall immediately hold it of the chief lord, and shall be forthwith charged with the services, for so much as pertaineth, or ought to pertain to the said chief lord for the same parcel, according to the quantity of the land or tenement so sold: And so in this case the same part of the service shall remain to the lord, to be taken by the hand of the feoffee, for the which he ought to be attendant and answerable to the same chief lord, according to the quantity of the land or tenement sold, for the parcel of the service so sold. 18 Edw. I, c. 2.

Sale of part.

Apportionment of services.

4. And it is to be understood, that by the said sales or purchases of lands or tenements, or any parcels of them, such lands or tenements shall in no wise come into mortmain, either in part or in whole, neither by policy nor craft, con-

SCHEDULE

TO THE KING'S MOST EXCELLENT MAJESTY

Most Gracious Sovereign,

We, Your Majesty's most dutiful and loyal subjects, the Senate and Commons of Canada, in Parliament assembled, humbly approach Your Majesty for the purpose of representing that it is expedient to amend the scale of payments authorized under section 118 of the Acts of the Parliament of the United Kingdom of Great Britain and Ireland, commonly called the *British North America Act, 1867*, or by or under any terms or conditions upon which any other provinces were admitted to the Union, to be made by Canada to the several provinces of the Dominion for the support of their Governments and Legislatures by providing that—

A. Instead of the amounts now payable, the sums hereafter payable yearly by Canada to the several provinces for the support of their Governments and Legislatures be according to population, and as follows:—

- (a) Where the population of the province is under 150,000, \$100,000;
- (b) Where the population of the province is 150,000, but does not exceed 200,000, \$150,000;
- (c) Where the population of the province is 200,000, but does not exceed 400,000, \$180,000;
- (d) Where the population of the province is 400,000, but does not exceed 800,000, \$190,000;
- (e) Where the population of the province is 800,000, but does not exceed 1,500,000, \$220,000;
- (f) Where the population of the province exceeds 1,500,000, \$240,000.

B. Instead of an annual grant per head of population now allowed, the annual payment hereafter be at the same rate of eighty cents per head, but on the population of each province, as ascertained from time to time by the last decennial census, or in the case of the provinces of Manitoba, Saskatchewan, and Alberta respectively, by the last quinquennial census or statutory estimate, until such population exceeds 2,500,000, and at the rate of sixty cents per head for so much of said population as may exceed 2,500,000.

C. An additional allowance to the extent of one hundred thousand dollars annually be paid for ten years to the province of British Columbia.

D. Nothing herein contained shall in any way supersede or effect the terms special to any particular province upon which such province became part of the Dominion of Canada, or the right of any province to the payment of any special grant heretofore made by the Parliament of Canada to any province for any special purpose in such grant expressed.

We pray that Your Majesty may be graciously pleased to cause a measure to be laid before the Imperial Parliament at its present Session repealing the provisions of section 118 of the *British North America Act, 1867*, aforesaid, and substituting therefor the scale of payments above set forth, which shall be a final and unalterable settlement of the amounts to be paid yearly to the several provinces of the Dominion for their local purposes, and the support of their Governments and Legislatures.

Such grants shall be paid half-yearly in advance to each province, but the Government of Canada shall deduct from such grants as against any province all sums chargeable as interest on the public debt of that province in excess of the several amounts stipulated in the said Act.

All of which we humbly pray Your Majesty to take into your favourable and gracious consideration.

**An Act to give effect to certain resolutions
passed by Imperial Conferences held in the
years 1926 and 1930***[11th December, 1931]*

WHEREAS the delegates of His Majesty's Governments in the United Kingdom, the Dominion of Canada, the Commonwealth of Australia, the Dominion of New Zealand, the Union of South Africa, the Irish Free State and Newfoundland, at Imperial Conferences holden at Westminster in the years of our Lord nineteen hundred and twenty-six and nineteen hundred and thirty did concur in making the declarations and resolutions set forth in the Reports of the said Conferences:

And whereas it is meet and proper to set out by way of preamble to this Act that, inasmuch as the Crown is the symbol of the free association of the members of the British Commonwealth of Nations, and as they are united by a common allegiance to the Crown, it would be in accord with the established constitutional position of all the members of the Commonwealth in relation to one another that any alteration in the law touching the Succession to the Throne or the Royal Style and Titles shall hereafter require the assent as well of the Parliaments of all the Dominions as of the Parliament of the United Kingdom:

And whereas it is in accord with the established constitutional position that no law hereafter made by the Parliament of the United Kingdom shall extend to any of the said Dominions as part of the law of that Dominion otherwise than at the request and with the consent of that Dominion:

And whereas it is necessary for the ratifying, confirming and establishing of certain of the said declarations and resolutions of the said Conferences that a law be made and enacted in due form by authority of the Parliament of the United Kingdom:

And whereas the Dominion of Canada, the Commonwealth of Australia, the Dominion of New Zealand, the Union of South Africa, the Irish Free State and Newfoundland have severally requested and consented to the submission of a

measure to the Parliament of the United Kingdom for making such provision with regard to the matters aforesaid as is hereafter in this Act contained:

Now, therefore, be it enacted by the King's most Excellent Majesty by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

Without prejudice to the generality of the foregoing provisions of this Act, sections seven hundred and thirty-five and seven hundred and thirty-six of the *Merchant Shipping Act, 1894*, shall be construed as though reference therein to the Legislature of a British possession did not include reference to the Parliament of a Dominion.

6. Without prejudice to the generality of the foregoing provisions of this Act, section four of the *Colonial Courts of Admiralty Act, 1890* (which requires certain laws to be reserved for the signification of His Majesty's pleasure or to contain a suspending clause), and so much of section seven of that Act as requires the approval of His Majesty in Council to any rules of Court for regulating the practice and procedure of a Colonial Court of Admiralty, shall cease to have effect in any Dominion as from the commencement of this Act.

(2) Nothing in this Act shall be deemed to require the concurrence of the Parliament or Government of the Commonwealth of Australia in any law made by the Parliament of the United Kingdom with respect to any matter within the authority of the States of Australia, not being a matter within the authority of the Parliament or Government of the Commonwealth of Australia, in any case where it would have been in accordance with the constitutional practice existing before the commencement of this Act that the Parliament of the United Kingdom should make that law without such concurrence.

(3) In the application of this Act to the Commonwealth of Australia, the request and consent referred to in section four shall mean the request and consent of the Parliament and Government of the Commonwealth.

Certain sections of Act not to apply to Australia, New Zealand or Newfoundland unless adopted.

“51. (1) The number of members of the House of Commons and the representation of the provinces therein shall upon the coming into force of this subsection and thereafter on the completion of each decennial census be readjusted by such authority, in such manner, and from such time as the Parliament of Canada from time to time provides, subject and according to the following Rules:

Readjustment
of representa-
tion in
Commons

1. There shall be assigned to Quebec seventy-five members in the readjustment following the completion of the decennial census taken in the year 1971, and thereafter four additional members in each subsequent readjustment. Rules
2. Subject to Rules 5 (2) and (3), there shall be assigned to a large province a number of members equal to the number obtained by dividing the population of the large province by the electoral quotient of Quebec.
3. Subject to Rules 5 (2) and (3), there shall be assigned to a small province a number of members equal to the number obtained by dividing

- (a) the sum of the populations, determined according to the results of the penultimate decennial census, of the provinces (other than Quebec) having populations of less than one and a half million, determined according to the results of that census, by the sum of the numbers of members assigned to those provinces in the readjustment following the completion of that census; and
- (b) the population of the small province by the quotient obtained under paragraph (a).

4. Subject to Rules 5 (1) (a), (2) and (3), there shall be assigned to an intermediate province a number of members equal to the number obtained

- (a) by dividing the sum of the populations of the provinces (other than Quebec) having populations of less than one and a half million by the sum of the numbers of members assigned to those provinces under any of Rules 3, 5 (1) (b), (2) and (3);
- (b) by dividing the population of the intermediate province by the quotient obtained under paragraph (a); and
- (c) by adding to the number of members assigned to the intermediate province in the readjustment following the completion of the penultimate decennial census one-half of the difference resulting from the subtraction of that number from the quotient obtained under paragraph (b).

5. (1) On any readjustment,

- (a) if no province (other than Quebec) has a population of less than one and a half million, Rule 4 shall not be applied and, subject to Rules 5 (2) and (3), there shall be assigned to an intermediate province a number of members equal to the number obtained by dividing
 - (i) the sum of the populations, determined according to the results of the penultimate decennial census, of the provinces (other than Quebec) having populations of not less than one and a half million and not more than two and a half million, determined according to the results of that census, by the sum of the numbers of members assigned to those provinces in the readjustment following the completion of that census, and
 - (ii) the population of the intermediate province by the quotient obtained under subparagraph (i);

(b) if a province (other than Quebec) having a population of

(i) less than one and a half million, or

(ii) not less than one and a half million and not more than two and a half million

(2) On any readjustment,

(a) if, under any of Rules 2 to 5 (1), the number of members to be assigned to a province (in this paragraph referred to as "the first province") is smaller than the number of members to be assigned to any other province not having a population greater than that of the first province, those Rules shall not be applied to the first province and it shall be assigned a number of members equal to the largest number of members to be assigned to any other province not having a population greater than that of the first province;

(b) if, under any of Rules 2 to 5 (1) (a), the number of members to be assigned to a province is smaller than the number of members assigned to it in the readjustment following the completion of the penultimate decennial census, those Rules shall not be applied to it and it shall be assigned the latter number of members;

(c) if both paragraphs (a) and (b) apply to a province, it shall be assigned a number of members equal to the greater of the numbers produced under those paragraphs.

(3) On any readjustment,

(a) if the electoral quotient of a province (in this paragraph referred to as "the first province") obtained by dividing its population by the number of members to be assigned to it under any of Rules 2 to 5 (2) is greater than the electoral quotient of Quebec, those Rules shall not be applied to the first province and it shall be assigned a number of members equal to the number obtained by dividing its population by the electoral quotient of Quebec;

(b) if, as a result of the application of Rule 6 (2) (a), the number of members assigned to a province under para-

graph (a) equals the number of members to be assigned to it under any of Rules 2 to 5 (2), it shall be assigned that number of members and paragraph (a) shall cease to apply to that province.

6. (1) In these Rules,

“electoral quotient” means, in respect of a province, the quotient obtained by dividing its population, determined according to the results of the then most recent decennial census, by the number of members to be assigned to it under any of Rules 1 to 5 (3) in the readjustment following the completion of that census;

“small province” means a province (other than Quebec) having a population greater than its population determined according to the results of the penultimate decennial census and less than one and a half million.

(2) For the purposes of these Rules,

- (a) if any fraction less than one remains upon completion of the final calculation that produces the number of members to be assigned to a province, that number of members shall equal the number so produced disregarding the fraction;
- (b) if more than one readjustment follows the completion of a decennial census, the most recent of those readjustments shall, upon taking effect, be deemed to be the only readjustment following the completion of that census;

- (c) a readjustment shall not take effect until the termination of the then existing Parliament."

Description by Metes and Bounds of the Boundary Line between the Province of Ontario and the Province of Manitoba.

Commencing at the most northerly point on the International Boundary between Canada and the United States at the northwest angle of the Lake of the Woods, as established by Dr. Tiarks and David Thompson under the direction of the commissioners appointed under Article VII of the Treaty of Peace and Amity between His Britannic Majesty and the United States of America signed at Ghent the 24th December, 1814, and confirmed by Article II of the Ashburton Treaty of 1842, said most northerly point being styled the Initial Point on the official plan of survey of the boundary between the Provinces of Ontario and Manitoba from Lake of the Woods to Winnipeg River, which said Initial Point may be more particularly known and described as being seventy-two chains and fifty links, more or less, due north of the most northerly point on the International Boundary at the northwest angle of the Lake of the Woods as determined by Article I of the Treaty between His Britannic Majesty in respect of the Dominion of Canada and the United States for the Further Demarcation of the Boundary between Canada and the United States, signed at Washington on February 24th, 1925, which said Initial Point is also one hundred and fifty chains and one link, more or less, due north from an iron post extending four feet above ground and planted about five chains northerly from the north bank of the Northwest Angle River, bearing the following inscriptions:—"October 20th, 1818" on the south side, and on the north side the words "convention of London" said post having been planted by the International Boundary Commissioners in 1872 to mark the boundary between the Dominion of Canada and the United States of America; which said Initial Point is also one hundred and ten chains and sixty-two links, more or less, due north from an iron post extending four feet above the ground bearing similar inscriptions and planted by the same authority as the above mentioned post.

Thence from said Initial Point due north astronomically along the boundary between the Provinces of Ontario and Manitoba, as marked on the ground by the commissioners appointed for the purpose in 1897 and 1921, a distance of two hundred and thirty-eight miles, thirteen chains and twenty-eight links, more or less, to a point at the centre of the road allowance on the north side of the twelfth Base Line of the system of Dominion land surveys, said point being thirty chains and fifty-seven links due north from a concrete monument on said boundary, which said monument is about three feet high above the ground and bearing the following inscriptions: on the east side, "No. 218 ONTARIO", and on the west side, "No. 218 MANITOBA", the said point being marked by a concrete monument about three feet high above the ground and bearing the following inscriptions: on the southeast side, "No. 220 ONTARIO", and on the northwest side, "No. 220 MANITOBA", said boundary from the Initial Point to the Winnipeg River being marked at intervals of approximately one mile in length by iron posts and mounds, each post bearing the number corresponding to the number of miles which it is distant from said Initial Point on the south side, the letters "MAN" for Manitoba on the west side and the letters "ONT" for Ontario on the east side, and from the Winnipeg River northerly to the point marked by the monument bearing the inscriptions, on the southeast side, "No. 220 ONTARIO", and on the northwest side "No. 220 MANITOBA", the said boundary being marked at intervals of approximately six miles in length by concrete monuments bearing brass plates on which are the following

inscriptions: on the east side, the number of the monument and the word "ONTARIO" and on the west side the number of the monument and the word "MANITOBA", said boundary from the Winnipeg River to the point marked by the monument bearing the inscriptions, on the southeast side, "No. 220 ONTARIO", and on the northwest side, "No. 220 MANITOBA" being also marked at intervals of approximately one mile in length with special posts and mounds, the posts bearing the inscriptions "Inter-provincial Boundary" "Ontario-Manitoba", each post having also marked on it the number of the monument, the number of the bench mark and the year of the survey.

That part of the said boundary which lies between the Lake of the Woods and Winnipeg River is shown on the official plan of the survey of said boundary dated 30th April, 1898, and signed by Elihu Stewart, D.L.S., and B. J. Saunders, O.L.S., the commissioners appointed in 1897, and that part of said boundary lying between the Winnipeg River and the twelfth Base Line aforesaid being shown on a series of sixteen plans of survey published in atlas form in 1925 and signed by the Surveyor-General of Dominion Lands, and the Director of Surveys for the Province of Ontario, as the commissioners appointed in 1921, all of which plans are of record in the Department of Mines and Technical Surveys at Ottawa.

Thence in a right line on an initial azimuth of $44^{\circ} 25' 50''$ along the boundary between the Provinces of Ontario and Manitoba, as marked on the ground by the commissioners appointed in 1929, a distance of eighty-seven miles, fifty-five chains and thirty-two and eight-tenths links more or less to the most eastern point of Island Lake, the said point being fixed on the ground in the year 1930 and being marked by a concrete monument bearing the following inscriptions: on the southeast side, "No. 295 ONTARIO", and on the northwest side, "No. 295 MANITOBA" and situated in about North Latitude $53^{\circ} 44' 19''.42$ and in about West Longitude $93^{\circ} 39' 14''.91$; said boundary from the point marked by the monument bearing the inscription on the southeast side "No. 220 ONTARIO", and on the northwest side "No. 220 MANITOBA" to the most eastern point of Island Lake being marked at intervals of approximately one mile in length by special posts and mounds, each post having marked on it the number of the post and the year of survey, and said portion of the boundary being also marked at intervals of approximately six miles in length by concrete monuments bearing brass plates on which are the following inscriptions: on the southeast side, the number of the monument and the word "ONTARIO", and on the northwest side, the number of the monument and the word "MANITOBA"; thence in a right line on an initial azimuth of $38^{\circ} 40' 34''$ along the said boundary a distance of two hundred and eighty-two miles, thirty-three chains and fifty-seven and one-tenth links more or less to the Terminal Point marked by a concrete monument about four feet high above the ground and bearing the following inscriptions: on the southeast side, "No. 457A ONTARIO", and on the northwest side, "No. 457A MANITOBA", the said point being twenty-one and four-tenths feet due west astronomic from the point where the eighty-ninth meridian of west longitude intersects the southern shore of Hudson Bay, as the latter point was fixed by the Geodetic Survey of Canada in the year 1930; said boundary from the most eastern point of Island Lake to the said Terminal Point being marked at intervals of from one mile to three miles in length by special posts of the same type as the special posts above described as marking the boundary from the point marked by the monument bearing the inscriptions, on the southeast side, "No. 220 ONTARIO", and on the northwest side, "No. 220 MANITOBA", to the most eastern point of Island Lake, and said portion of the boundary being also marked at intervals of from five miles to twenty-five miles in length by concrete monuments bearing brass plates on which are the following inscriptions: on the southeast side, the number of the monument and the word

"ONTARIO", and on the northwest side, the number of the monument and the word "MANITOBA"; and as said boundary is shown on three plans of the Ontario-Manitoba Boundary, namely (1) from monument No. 220 on the twelfth Base Line to monument No. 295 at east end of Island Lake; (2) from monument No. 295 at east end of Island Lake to monument No. 356; and (3) from monument No. 356 to monument No. 457A at Hudson Bay; duly approved by the three Commissioners appointed in 1931 on the 26th day of January, 1953, and of record in the Department of Mines and Technical Surveys at Ottawa.

- (a) a schedule marked "Schedule A", similar in form to Schedule A appended to the Revised Statutes of Ontario, 1970, showing the Acts contained in the Revised Statutes of Ontario, 1970 and the other Acts that are repealed in whole or in part from the day upon which the Revised Statutes of Ontario, 1980 take effect and the extent of such repeal;
- (b) a schedule marked "Schedule B", similar in form to Schedule B appended to the Revised Statutes of Ontario, 1970, showing the Acts and parts of Acts that are repealed, superseded and consolidated in the Revised Statutes of Ontario, 1980 and showing also the portions of the Revised Statutes of Ontario, 1970 and Acts passed thereafter that are not consolidated; and
- (c) a schedule marked "Schedule C" containing references to all the provisions passed by the Ontario Legislature

after the 1st day of July, 1867 that are unconsolidated and still have effect.

(2) The inclusion or omission of an Act or a part thereof in a schedule shall not be construed as a declaration that the Act or part was or was not in force immediately before the coming into force of the Revised Statutes of Ontario, 1980.

Effect of inclusion or omission of an Act in schedules

8.—(1) After the deposit of the roll under section 5, the Lieutenant Governor may by proclamation declare the day upon which the roll will come into force and have effect as law by the designation “Revised Statutes of Ontario, 1980”.

Proclamation

(2) On and after the day so proclaimed, the roll shall be in force and effect by the said designation to all intents as though the same were expressly embodied in and enacted by this Act to come into force and have effect on and after that day, and on and after that day all the enactments in the several Acts and parts of Acts in Schedule A thereto shall be repealed to the extent mentioned in the third column of the schedule.

Effect of proclamation

9. Any reference in an unrepealed and unconsolidated Act or in an instrument or document to an Act or enactment repealed and consolidated shall, after the Revised Statutes of Ontario, 1980 come into force, be held, as regards any subsequent transaction, matter or thing, to be a reference to the Act or enactment in the Revised Statutes of Ontario, 1980 having the same effect as such repealed and consolidated Act or enactment.

History of Statute Revisions in the Provinces of Upper Canada, Canada and Ontario

1763 - 1791

The Treaty of Paris, 1763, ceded the French possessions in North America to Great Britain. On October 7th of that year a Royal proclamation introduced the law of England, both civil and criminal, into the whole of the ceded territory, and formed the Eastern portion of it into the Province of Quebec. The Governor of the new colony received power and direction "so soon as the state and circumstances of the colony would admit thereof, to summon and call a General Assembly", but, until this was done, the Governor and Council were invested with "authority to make such rules and regulations as should appear to be necessary for the peace, order and good government of the Province".

In 1774 the Quebec Act (14 Geo. III, c. 83, Imp.) was passed, by which French law was re-introduced in civil matters, and the limits of the Province of Quebec were enlarged, so as to include the whole of the territory afterwards formed into Upper Canada.

The Quebec Act produced dissatisfaction, especially among the British colonists, and in 1791, the Constitutional Act (31 Geo. III, c. 31, Imp.) was passed, by which the Province of Quebec as it then existed, was divided into the Province of Upper Canada and the Province of Lower Canada, the power of the Governor in Council to legislate was taken away, and a legislature was granted to each Province.

1792 - 1840

1. The first revision of the statutes in the new Province of Upper Canada was made in 1818. It consisted merely of a collection of the Acts of the Province of Upper Canada in force at that date, together with such Acts of the Imperial Parliament and ordinances of the former Province of Quebec as affected Upper Canada.

2. In 1831 a collection of the statutes of Upper Canada in force at that date was published by Messrs. Hugh C. Thomson and James Macfarlane, which, though a private enterprise, long supplied the place of a revision by authority.

1841 - 1866

3. The Act of Union (3 & 4 Vict., c. 35, Imp.) which came into force by proclamation on February 10th, 1841, united the Provinces of Upper and Lower Canada. A revision was soon after begun of the statutes of Upper Canada in force at the date of the union. A commission for the purpose, dated July 25th, 1840, was issued to the Honourable John Beverley Robin-

son, the Honourable James B. Macaulay, the Honourable William Henry Draper and John Hillyard Cameron, Esq. It directed the Commissioners "diligently and carefully to examine and revise the several statutes from time to time passed and enacted by the Parliament of Upper Canada, and then in force and effect; and to make such report upon the premises as in their opinion should be most for the interest, welfare and good government of the Province".

The result of the work of the Commission was embodied in two volumes, the first containing public Acts, and the second, local and private Acts. The report to the Governor General, in which the Commissioners announced the completion of the project, is dated 8th March, 1843, and was printed as a preface to the first volume.

In this, as in earlier "revisions", no actual consolidation of the statutes was attempted. The various Acts in force were printed as they had been passed, omitting only such portions as had expired or had been repealed, with notes stating the reasons for omissions, and giving the provisions, if any, which the Legislature had substituted for repealed clauses; errors in the text were left uncorrected, except by way of a note directing attention to them; and the revision did not receive authority by legislative adoption, but was nevertheless, by general use, substituted for the preceding volumes of statutes.

A revision of the Acts and ordinances in force in Lower Canada at the date of the union of Upper and Lower Canada was begun in 1842, and completed in 1845, by a Commission composed of Messrs. A. Buchanan, H. Heney and G. W. Wicksteed. The Commissioners made two reports, which, as well as a prefatory notice, were printed with the volume of revised statutes compiled by them.

4. The first consolidation, properly so called, of the statute law was begun in 1856.

Two Commissions were issued, the first, dated February 7th, 1856, appointed Messrs. John Hillyard Cameron, Joseph C. Morrison, Adam Wilson, Skeffington Connor, Oliver Mowat and David B. Read to examine, revise, consolidate and classify the public general statutes affecting Upper Canada only, and the second, dated March 28th, 1856, appointed Messrs. A. Polette, Gustavus W. Wicksteed, Andrew Stuart, T. J. J. Loranger, Robert Mackay and George de Boucherville to examine, revise, consolidate and classify the public general statutes applying exclusively to Lower Canada. Each Commission directed the Commissioners therein named, jointly with the members of the other Commission, to examine, revise, consolidate and classify the public general statutes which applied equally to both sections of the Province.

Subsequently Messrs. Cameron and Morrison resigned, and in their stead the Honourable J. B. Macaulay and S. H. Strong, Esq., were appointed. Afterwards Dr. Connor and Mr. Mowat also resigned, preparat-

ory to their becoming candidates for election as members of the Legislative Assembly. In a later stage of the work, and especially during its final revision, the commissioners were assisted by His Honour Judge Gowan, of the County Court of the County of Simcoe.

The first report of the Commission was made on April 19th, 1858, and in 1859 drafts of the Consolidated Statutes for Upper Canada and the Consolidated Statutes of Canada were submitted to the Governor General, accompanied respectively by a report, dated January, 1859, by Sir J. B. Macaulay, the Chairman of the Upper Canada Commission, and a joint report dated March 3rd, 1859, by Sir J. B. Macaulay and Mr. Wicksteed, the acting Commissioner of the Commission for Lower Canada. (*See Sess. Papers, 1859, No. 9.*)

These two volumes were laid before the Legislative Assembly in 1859, and Acts were passed to provide for their coming into force by proclamation.

Pursuant to the provisions of the last-mentioned Acts, the enactments of the then session were incorporated with the consolidation and the two volumes were declared by proclamation to come into force on December 5th, 1859.

1867 - 1950

On July 1st, 1867, by proclamation issued under the *British North America Act, 1867* (30 and 31 V., c. 3, Imp.) the Province of Canada was, with the Provinces of Nova Scotia and New Brunswick, formed into the present Dominion of Canada. Thus the two divisions of the Province of Canada were once more constituted separate provinces, Upper Canada being called the Province of Ontario, and Lower Canada the Province of Quebec.

5. The Revised Statutes of Ontario were prepared by a Commission appointed July 24th, 1874, composed in the first instance of the Honourable William Henry Draper, Chief Justice of Appeal; the Honourable Samuel Henry Strong, the Honourable George William Burton and the Honourable Christopher Salmon Patterson, Justices of Appeal; the Honourable Oliver Mowat, Attorney General; and Messrs. Thomas Langton, Charles R. W. Biggar and Rupert Etherege Kingsford, Barristers-at-Law. The Honourable Thomas Moss upon his appointment as Justice of Appeal, the Honourable Samuel Hume Blake, Vice-Chancellor, and His Honourable Judge Gowan, of the County Court of the County of Simcoe, were subsequently added to the Commission.

The work of the Commission was three-fold:

First. To examine, revise, consolidate and classify such of the public general statutes passed by the Parliament of the Province of Canada and applying to Ontario as were within the legislative authority of the Legislature of Ontario;

Secondly. To examine and arrange in the manner most convenient for reference such of the public general statutes passed by the Parliament of the Province of Canada and applying to Ontario as were not within the legislative authority of the Legislature of Ontario; and also the statutes passed by the Parliament of the Dominion of Canada and affecting Ontario;

Thirdly. To examine and arrange in the manner most convenient for reference the statutes of the Imperial Parliament, printed with the Consolidated Statutes of Canada in 1859, as well as all statutes afterwards passed by the Imperial Parliament.

This Commission made three reports, dated respectively December 12th, 1874, December 11th, 1875, and December 30th, 1876. The first report was accompanied by tables showing the consolidation in outline.

The second report announced the completion of the collection of the Imperial Acts, and contained suggestions for legislation to remove discrepancies discovered in the course of the work, and otherwise to facilitate consolidation. Specimens of the work done were also submitted with this report. With the third report was submitted a draft of the revised statutes, which was laid before the Legislature at its session in 1877.

A volume of 633 pages, being a portion of the collection of enactments of the Dominion of Canada, and of the Province of Canada which were not within the legislative authority of the Legislature of Ontario, was presented with the second report; but the completion of this portion of the work of the Commission was afterwards abandoned in view of the preliminary steps which had been taken by the Dominion Government for a consolidation of statutes that would include the Acts of which the Ontario collection would have been composed.

The enactments of the session of 1877 were incorporated in the draft-consolidation above mentioned pursuant to the Ontario Act, 40 V., c. 6, by a commission appointed by the Lieutenant Governor. It was composed of the Honourable Chief Justice Draper, the Honourable Mr. Justice Strong, the Honourable Mr. Justice Burton, the Honourable Mr. Justice Patterson, the Honourable Mr. Justice Moss, the Honourable Vice-Chancellor Blake, His Honour Judge Gowan, the Honourable Oliver Mowat, Attorney General, and Thomas Langton, Esq., Barrister-at-Law.

These Commissioners reported the completion of their work to the Lieutenant Governor on November 20th, 1877, and the revision being approved by him, a proclamation was issued on December 7th, 1877, declaring the Revised Statutes of Ontario to be in force on, from, and after December 31st, 1877.

6. The Revised Statutes of Ontario, 1887 were prepared by a Commission appointed December 11th, 1885, and composed in the first instance, of the Honourable George William Burton, the Honourable Christopher Salmon Patterson and the Honourable Featherston Osler, Justices of the Court

of Appeal; the Honourable John Alexander Boyd, Chancellor of Ontario; the Honourable John Edward Rose and the Honourable John O'Connor, Justices of the High Court of Justice; His Honour Joseph Easton McDougall, Judge of the County Court of the County of York; the Honourable Oliver Mowat, Attorney General of Ontario; the Honourable Arthur Sturgis Hardy, Provincial Secretary; John Galloway Scott, Esq., Master of Titles and John Robison Cartwright and Frank John Joseph, Esquires, Barristers-at-Law. By a subsequent commission, dated December 31st, 1885, the Honourable Alexander Morris, Ex-Chief Justice of the Province of Manitoba, was added to the Commission. The Commissioners were appointed to consolidate the public statutes of the Province of Ontario, and were directed as they, or any three of them, might think proper to report from time to time their proceedings and progress of the work entrusted to them to the Lieutenant Governor and to be guided by the instructions received from time to time from the Lieutenant Governor in all things not contained in the commission. The Commissioners made their first report in the month of March, 1887, accompanied with a draft of the consolidated statutes, and indicated the manner in which the work has been prepared. The enactments of the session of 1887 were subsequently incorporated in this draft consolidation by the Commissioners pursuant to the authority of the Ontario statute, 50 V., c. 2.

The completion of the work was reported by the Commissioners to the Lieutenant Governor, and the consolidation being approved by him a proclamation was issued on December 20th, 1887, declaring "The Revised Statutes of Ontario, 1887" to be in force on and after December 31st, 1887.

7. The Revised Statutes of Ontario, 1897 were prepared by a Commission appointed April 25th, 1896, composed in the first instance of the Honourable John Alexander Boyd, Chancellor of Ontario; the Honourable Featherston Osler, Justice of Appeal; the Honourable John Douglas Armour, Chief Justice of the Queen's Bench; the Honourable James MacLennan, Justice of Appeal; the Honourable William Ralph Meredith, Chief Justice of the Common Pleas; the Honourable Thomas Ferguson, the Honourable John Edward Rose and the Honourable William Glenholme Falconbridge, Justices of the High Court; the members of the Executive Council of Ontario and James Pliny Whitney, Esq., M.P.P.; Byron Moffatt Britton, Esq., Q.C., and John Galloway Scott, Esq., Q.C., Master of Titles.

The Commission completed its work and reported the same to the Lieutenant Governor on December 20th, 1897, and the consolidation being approved by him, a proclamation was issued on December 24th, 1897, declaring the Revised Statutes of Ontario, 1897 to be in force on and after December 31st, 1897.

By a further commission dated December 7th, 1906, the powers of the Commission were enlarged, and the work of revision and consolidation was proceeded with as indicated in the report which is printed at page cxxxvii of volume III of R.S.O. 1914.
